

Antenna performance: 5 Stars

SteppIR Manual: 4 Stars but much improved over older manuals.

SteppIR assembly/support: 5 stars, Jim and Adam were superb.

SteppIR fit and finish: 5 Stars, this is a very nice, well designed antenna att KP3H

Setting. It is a SteppIR Antennas DB36 . I had to use a crane service.

Performance: Had a chance to use it in CQ contest, unbelievable exceeds all specs.

Price really reasonable.

You can not go wrong if you desire a SteppIR Antennas DB36

Erection: Ease of construction is unbelievable.

Everything is coded and marked.
